

FEES 2021

ROOSEVELT PARK PRE PRIMARY

As a not-for-profit community school, we are not in a position to effect a price freeze without compromising on teachers' salaries, other essential costs and the long-term sustainability of our school. The school has and will continue to incur significant additional costs of PPE and cleaning.

Considering the additional cost of complying with COVID 19 regulations, the increase which has been arrived at is the minimum which the Committee can adopt to ensure that the school can carry its costs and continue to deliver all services.

- ◆ Our fees for 2021 are **R43,725** per child, an increase of **R2,475**, which is **R225.00 extra per child per month** (Payment over 11 months).
